### DIAGNOSIS :

#### Intellectual Disability

Intellectual disability is a term used when there are limits to a person's ability to learn at an expected level and function in daily life.

#### Autism

A group of complex disorders of brain development which are characterized, in varying degrees, by difficulties in social interaction, verbal and nonverbal communication, and repetitive behaviors.

#### Epilepsy

A spectrum condition with a wide range of seizure types and control varying from person-to-person.

#### Cerebral Palsy

A group of disorders- usually caused by problems with brain development or by a brain injury- that impair the ability to move and maintain balance and posture.

#### Other

### ETHNICITY:

95% Hispanic  
1% African American  
1% White  
3% Other

## Working to Keep the Promise

- 1 Provide market-based allocations for rent
- 2 Reinstate social recreation (and non research-based support therapies) family program services
- 3 Support the development of a long term plan to address programmatic and operational challenges to sustain the regional center system.
- 4 Revamp service rates to ensure long term system viability and sustainability
- 5 Identify community-based resources (housing, physicians and clinicians) to address unmet needs of consumers and families
