### DIAGNOSIS :

### ETHNICITY:

## Working to Keep the Promise

- 1 Provide market-based allocations for rent
- 2 Reinstate social recreation (and non research-based support therapies) family program services
- 3 Support the development of a long term plan to address programmatic and operational challenges to sustain the regional center system.
- 4 Revamp service rates to ensure long term system viability and sustainability
- 5 Identify community-based resources (housing, physicians and clinicians) to address unmet needs of consumers and families
