To change the language of your Zoom application, see <https://support.zoom.us/hc/es/articles/209982306-Cambiar-su-idioma-en-Zoom> (the article is in Spanish).

In order to ensure the best possible experience, especially if you will be using translation, SCLARC recommends that, if possible, you access the meeting through a computer; SCLARC has observed that, in particular, Android phones have less success with the translation feature. Regardless of that, please ensure before the meeting that you have the latest version of Zoom. You can ensure this, on a computer, by visiting <https://zoom.us/download> (you can select "Spanish language" at the bottom of the screen if applicable). On a tablet or cell phone, visit the App Store and, if necessary, download or update your app. Please note: In order to respect everyone's time, and due to the wide variety of technology used by participants and families, it will not be possible for SCLARC to offer significant technical/technological assistance during the meeting.
