

**COMMUNITY PLACEMENT PLAN (CPP) COMMUNITY
 RESOURCE DEVELOPMENT PLAN (CRDP) PROPOSED
 2022-2023 START-UP PROJECTS
 POSTED FOR PUBLIC COMMENT
 08/22/2022**

SCLARC Stakeholders:

Below is a list of the proposed grant projects for the 2022-23 fiscal years, through the Community Placement Plan. This list is being posted on SCLARC’s website to allow you to provide comments regarding the proposed projects. If you would like to provide feedback, please email your comments to Monica Mahon, HCBS Evaluator at monicam@sclarc.org.

<p>Project #1 (CRDP)</p>	<p>Project #1 (CRDP) Housing Development Organization’s (HDO) primary mission is to develop and manage accessible homes for the needs of individual with developmental disabilities.</p>
<p>Project #2 (CRDP)</p>	<p>Project #2 (CRDP) Two (2) 6- bed ICF/DD-N facilities, non-ambulatory, medical model specialized adult residential facility in order to reduce the vendored capacity of an existing large ICF/DD-N facility from 53 to 37 beds. This is also proposed in FY2020-21, 2021-22.</p>
<p>Project #3 (CRDP)</p>	<p>Project #3 (CRDP) Residential Care Facilities for the Elderly RCFE-Non-ambulatory. SCLARC has in accordance with SCLARC CRDP FY2020 through 2022 have requested to downsize the 15 homes under level 3 and 4I homes that have shared rooms and are vendored for over 12 beds or more. Some are aging as well.</p>
<p>Project #4 (CRDP)</p>	<p>Project #4 (CRDP) Adult Residential Facilities For Persons With Healthcare Needs (ARFPSHN-B) (non-ambulatory) to reduce the vendored capacity of an existing large ICF/DD facility from 53 to 37 beds, and home for individuals who require nursing needs.</p>
<p>Project #5 (CRDP)</p>	<p>Project #5 (CRDP) Enhanced Behavioral Supports Home (EBSH) for Individuals with Traumatic Brain Injury (TBI) Home to be equipped with both delayed egress to manage behaviors or lack of hazard awareness and impulse control, would pose a risk of harm to themselves or others.</p>

Stakeholder feedback (03/12/2023):
(CRDP)

Project #6
(CRDP)

Adult facility to meet the needs of those individuals between the ages of 18 to 59 who are dually diagnosed with an intellectual disability and mental health issues **with nursing needs**, coming out of PDC OR IMD. Consumer may also have history of forensic involvement and/or issues. Individuals served may also display maladaptive behaviors such as verbal/physical aggression, inappropriate sexual behavior, property destruction, elopement. Facility must have access to a psychiatrist, physician, and nursing care for regular and/or emergency medication consultation/reviews and possible prescription in addition to other personnel licensed to administer psychotropic and other medications.
