

**CONFLICT OF INTEREST REPORTING STATEMENT  
DS 6016 (Rev. 08/2013)**

The duties and responsibilities of your position with the regional center require you to file this Conflict of Interest Reporting Statement. The purpose of this statement is to assist you, the regional center and the Department of Developmental Services (DDS) to identify any relationships, positions or circumstances involving you which may create a conflict of interest between your regional center duties and obligations, and any other financial interests and/or relationships that you may have. In order to be comprehensive, this reporting statement requires you to provide information with respect to your financial interests.

A “conflict of interest” generally exists if you have one or more personal, business, or financial interests, or relationships that would cause a reasonable person with knowledge of the relevant facts to question your impartiality with respect to your regional center duties. The specific circumstances and relationships which create a conflict of interest are set forth in the California Code of Regulations, title 17, sections 54500 through 54530. You should review these provisions to understand the specific financial interests and relationships that can create a conflict of interest.

Please answer the following questions to the best of your knowledge. If you find a question requires further explanation and/or there is not enough space to thoroughly answer the question, please attach as many additional sheets as necessary, and refer to the question number next to your answer. If the regional center identifies a conflict involving you, it will be required to prepare a conflict resolution plan. Some relevant definitions have been provided in the footnotes to assist you in responding to this statement.

You are required to file this Reporting Statement within 30 days of beginning your employment with the regional center or from the date that you are appointed to the regional center board or advisory committee board. You are then required to file an annual Reporting Statement by August 1st of every year while you remain employed with the regional center or while you are a member of the regional center board or advisory committee board. You must also file a Reporting Statement within 30 days of any change in your status that could result in a conflict of interest. Circumstances that can constitute a change in your status that can require you to file an updated Reporting Statement are described below in footnote one.
