

COMMUNITY PARTNERING

The McClaney Family Resource Center works with many community partners such as local Early Head Starts, Head Starts and Pre-School programs.

Our quarterly FRC Advisory Board meetings with community partners solidify collaborations and make sure that valuable information is exchanged with our community provider partners and SCLARC staff.

CALL US

For more information regarding The McClaney Family Resource Center, please call 213.744.8882.

Dr. La-Doris McClaney is a real estate magnate and philanthropist, continuing in the footsteps of her mother, Eula McClaney—who began purchasing real estate with the proceeds of her small sweet potato pie business. Dr. McClaney is also a concerned community member who believes in SCLARC’s mission. Eula, La-Doris, and Bernie McClaney opened one of the first residential care facilities for individuals diagnosed with developmental disabilities, and were one of the first vendors of SCLARC.

Dr. McClaney’s success has enabled her to launch the McClaney Foundation, which generously supports charities and institutions such as the American Lung Association, American Heart Association, American Diabetes Association, Bethune Cookman University, Charles Drew University of Medicine and Science and now the McClaney Family Resource Center.

Dr. McClaney continues to forge her mother’s legacy as an astute business woman and dedicated community activist.

THANK YOU FOR GROWING WITH US!

THE MCCLANEY
Family Resource Center

Serving South Central Los Angeles Regional Center Families

The McClanley Family Resource Center (FRC) is a beautiful, spacious, and invigorating center that provides more than resources, referrals, advocacy and parent trainings.

The McClanley FRC serves as a central point of contact for families with children ages 0 to 22.

The McClanley FRC provides new parent orientations throughout the year to inform parents about the Early Start program and FRC services and supports.

OUR STAFF

The McClanley FRC team members are knowledgeable about many generic resources and supports such as SSI, Medical, school related/IEP services and In-Home Supported Services (IHSS)

They are always willing to assist and provide information as needed and/or requested by families or SCLARC service coordinators.

FRC MISSION STATEMENT

The McClanley FRC offers family focused information, referrals, supports and training to promote family empowerment that is responsive to the ethnic diversity of South Central Los Angeles Regional Center's consumers and families.

OUR SERVICES

The McClanley FRC carries out public awareness activities through a variety of outreach efforts:

- ♥ Parent trainings are offered monthly in English and Spanish.
- ♥ Direct referrals are made from the FRC to the appropriate generic resources.
- ♥ We host play dates and a lending library.
- ♥ We host dental screenings with licensed dentists who specialize in treating children with delays and special needs.
- ♥ We provide transition training and support.
- ♥ We host information fairs and an annual Back-2-School event for consumers and their siblings.
- ♥ We provide disability awareness workshops.
