

SOUTH CENTRAL LOS ANGELES REGIONAL CENTER

Request of Proposals (RFP) Fiscal Year 2025-26 Community Placement Plan (CPP) & Community Resource Development Plan (CRDP) Start-Up Projects

***Grant Awards are contingent upon approved funding from the Department of Developmental Services.**

The selected applicant will be required to provide a performance bond for all money advanced. The cost of the bond will be an acceptable start-up cost.

Geographic Location of HDO/SCLARC Catchment Area: Los Angeles (SCLARC catchment area) - cities of Bell, Bell Gardens, Maywood, Paramount, Cudahy, Downey, Huntington Park, South Gate, Compton, Lynwood, as well as the South Los Angeles area, including the communities of Watts, Crenshaw, Hyde Park, Leimert Park, View Park and Baldwin Hills.

HOUSING DEVELOPMENT ORGANIZATION (HDO)

An HDO will be responsible to acquire and renovate the projects listed, which will be available with long-term leases for residential service providers selected and vendored by SCLARC. The successful bidder must be a Housing Development Organization (HDO), or have that as a component of their organization, that does not provide direct services to any individuals with developmental disabilities. Both the acquisition and renovation grant applications may be combined in a single proposal. Grant funding for renovating the homes is available for modifications required to meet the support needs of the individual referred, and to meet the licensing standards that will apply to the residents referred. Applicants will also be responsible for the long-term management and maintenance of the property. To ensure that homes developed using CCP/CRDP funds are always available for use by individuals served by SCLARC, real estate deed restrictions or restrictive covenants are required of the HDO for the property purchased with these funds. The property will be developed in accordance with [Fiscal Year 2025-2026](#) Community Placement Plan/Community Resource Development Plan Housing Guidelines issued by the State of California, Department of Developmental Services.

Deed restrictions, per the Fiscal Year [2025-2026](#) housing guidelines issued by the State of California, Department of Developmental Services, must specify the properties will be held in perpetuity for persons referred by SCLARC. This HDO may hold the properties as a profit, non-profit corporation, limited partnership or limited liability corporation.

Renovation of the property must be supervised by and is the responsibility of the HDO. Renovation plans must be developed for the HDO by a licensed architect and implemented by a licensed, bonded contractor, and the plans approved by SCLARC prior to an application for construction permits. The property will be leased to a residential service provider who will provide care and supervision to the residents. The selected residential service provider as well as regional center staff will be available to the HDO/architect/building contractor for development team meetings and technical assistance regarding the needs for the individuals referred as well as the requirements of Community Care Licensing. Property must be convertible to meet the standards of licensing by the Department of Social Services of the State of California, Community Care Licensing Division. Property ownership and management will be separate and distinct from the provision of services and supports.

APPLICANT INELIGIBILITY

The following agencies or individuals are not eligible for this development award:

1. The State of California, its officers or its employees.
2. A regional center, its employees, and their immediate family members.
3. Area Board members, their employees or their immediate family members.
4. Any HDO with a conflict of interest in either board members or employees.
5. Applicant has a history of deficiencies or is out of compliance with contracting agencies.

SELECTION PROCESS

All proposals submitted by the stated deadline will undergo an initial screening. Submissions that are late or incomplete will not be accepted for review or evaluation.

A Proposal Review Committee, appointed by SCLARC, will be responsible for reviewing, scoring, ranking, and prioritizing all eligible proposals. Each proposal will be evaluated based on the following criteria:

- Completeness and adherence to RFP instructions
- Applicant's experience and fiscal stability
- Availability and adequacy of resources
- Reasonableness of proposed costs
- Ability to identify and achieve objectives related to property acquisition and renovation

Proposals may be rejected if they:

- Do not comply with state or federal guidelines
- Fail to follow RFP instructions
- Are incomplete or missing required documentation

In addition to the merit of the proposal, applicants will be assessed based on their prior performance, including:

- Timely completion of previous projects
- History of collaboration with the regional center or other funding entities
- Consistent adherence to development timelines

The Committee's final recommendations will be submitted for approval by the Executive Director. All decisions are final and not subject to appeal.

All applicants will be formally notified of SCLARC's decision regarding their proposal.

RIGHTS AND RESERVATIONS

SCLARC reserves the right to reject any or all proposals received because of this Request of Proposal or to negotiate separately with any contractor when it is determined to be in the best interest of SCLARC. SCLARC may, at its sole and absolute discretion, select no provider for these services if, in its determination, no applicant is sufficiently responsive to the need. SCLARC reserves the right to select any one of the finalists interviewed regardless of the Request of Proposal score.

South Central Los Angeles Regional Center reserves the right to withdraw this Request for Proposal (RFP) and/or any item within the RFP at any time without notice. South Central Los Angeles Regional Center reserves the right to disqualify any proposal which does not adhere to the RFP guidelines. This Request for Proposal is being offered at the discretion of SCLARC. It does not commit SCLARC to award any grant.

SCLARC's decision will be final in any manner of interpretation of the Request of Proposal.

COSTS FOR PROPOSAL SUBMISSION

Applicants responding to the RFP shall bear all costs associated with the development and submission of a proposal.

CONFLICT OF INTEREST DECLARATION

Current applicants for vendorization are required to report any conflict or potential conflict of interest to the regional center. Pursuant to Title 17, Section 54522, a conflict of interest exists when a regional center employee or the family member of an employee, holds a position as owner, manager or employee in any business entity vendored by a California Regional Center or Department of Developmental Services.

This regulation is in place to ensure that the actions and interests of regional center employees do not have a material financial effect on:

- Any vendored program/service in which the employee or the family member of an employee has a direct or indirect investment.
- Any real property or possession of the vendor in which the employee has a direct or indirect interest.
- Any income received by or promised to the regional center employee as a part of the vendorization process or ongoing service provider operations.

It is the vendored service provider's responsibility to remain in compliance with the Welfare and Institutions Code by reporting a conflict of interest. It is the regional center employee's responsibility to eliminate the conflict of interest or obtain a waiver pursuant to the regulations.

Guidelines for Use of Start-up Funds

Payment provisions for start-up contracts are on a cost-reimbursement or a fixed unit rate basis. The ceiling is specified as the maximum dollar amount payable by SCLARC and is identified in the Agreement. The start-up contract sets forth the type of facility, or program to be developed and may indicate provisions or limitations on reimbursable items specific to the type of service. The start-up contract takes precedence over both written reimbursement guidelines and any verbal agreement.

SCLARC's ***Guidelines for Use of Start-Up Funds*** is attached to every published Request for Proposals (RFP) and is included as an Exhibit in every start-up contract. The Contractor's signature on the contract exhibit serves as verification that the document was reviewed and indicates agreement to abide by the guidelines unless other stated in the Agreement.

Guidelines for Use of Start-Up Funds

I. General Requirements

- A. Reimbursement on start-up funds contracts commence by submitting a signed Progress Report and Request for Reimbursement, along with verification of paid expenditures to the resource developer assigned to the project. Verification of expenditures is copies of receipts indicating payment in full by cash, check, cashier check or credit card purchase. Copies of cancelled check will also be required. Lay-a- way items may only be reimbursed for the amount of the deposit or payments made. In the case of personnel costs, a copy of the payroll record or check for salary paid must be submitted. Written estimates are not acceptable and invoices may only be submitted as an itemized list of the items purchased or contract work completed. Invoices may not be used as payment verification, even when stamped "paid". For lease or rent payments, copies of the signed lease/rental agreement will also be required. SCLARC requires an original signature (no copies or faxes) on the Progress Report and Request for Reimbursement.
- B. Milestone contracts are periodically used to developed specific projects and services. The contract specifies the tasks to be completed for each milestone. Requests for payment may be made after each milestone is completed using the Progress Report and Request for Reimbursement. Payment is made after the form and verification of each milestone is received.

II. Personnel Services

- A. A maximum of four (4) months of identified and reasonable direct personnel and overhead costs, including employee fringe benefits, may be reimbursed. Where salaries and wages are a reimbursable item, the following information must be included:
 - Monthly, weekly, or hourly rate, as appropriate
 - Personnel classification
 - Number of hours worked
 - Period worked (example: October 1 - 15, 2003)
 - If the employee has other duties with the organization, a percentage of personnel time to be charged to the contract must be specified.

III. Administrative Overhead

- A. Administrative overhead is an allowable cost **only** if there is a parent/corporate organizational staff involved with the project that will be expending staff time and resources not covered elsewhere in the project budget.

- B. If administrative overhead is claimed, it shall not exceed ten percent (10%) of the total start-up fund amount.

IV. Cash Advance

- A. A one-time advance payment is allowed. This amount must not exceed twenty-five (25) percent of the total amount of the start-up award. The advance must be addressed in the contract. The advance will not be released until the program design is submitted and approved by the Center. Reimbursement for other expenditures will not be made until receipts accounting for expenditures made with the advance are submitted to the regional center. All other reimbursement will be paid in arrears.

V. Consultants

- A. Pre-approval is required for the use of consultants. Proposals submitted and accepted must state the rate of compensation to be paid to consultants. The rate must be an hourly rate with a ceiling on the total amount. Consultants must be qualified to perform stated service and services must be applicable to the development of the project.
- B. Consultants' rates must conform to either:
- Schedule of Maximum Allowances (Medi-Cal rate) for positions covered by that schedule; or
 - Comparable State Civil Service positions; or
 - The going (usual and customary) rate for similar work outside state service.
- C. If the going (usual and customary) rate is applicable, the amounts to be paid consultants depends upon the complexity and difficulty of the projects, the ongoing rate for similar work, and the qualifications and reputation of the individual(s) or firm being awarded the contract.

VI. Real Property

- A. Payments are not permitted for purchase or for construction, renovation, alteration, improvement, or repair of privately-owned property, which would enhance the value to such property to the benefit of the owner. Start-up funds cannot be used for modifications that are solely aesthetic in nature or are not necessary to meet fire and life safety requirements.
- B. Start-up fund monies may be used to modify residential and day program facilities to meet fire and life safety requirements of the fire marshal and/or the local licensing agency. SCLARC'S pre-approval is required. Licensed contractors must be used for physical plant enhancements. Proposals requesting facility modifications must include three bids to be considered for reimbursement. If a site requires extensive modification, another location should be considered. The following are examples of fire and life safety modifications:
- Wheelchair ramps;
 - Handrails;
 - Bedroom exit doors;
 - Bathroom fixtures designed for non-ambulatory individuals;
 - Widening of hallways and doors; Installing fireproof doors;
 - Fire alarms;
 - Fire sprinkler systems;
 - Exit alarms or delayed egress devices; and
 - Fencing around swimming pools.
- C. A maximum of four month's rent or lease payments for a facility site is a reimbursable expense. The rent should not exceed the rental rates for an equivalent site/facility in the area where the program will be situated. A signed copy of the lease or rental agreement

must be submitted with the request for reimbursement. Security or cleaning deposits are not a reimbursable item.

VII. Equipment

- A. Examples of equipment, which may or may not be purchased, purchased only with prior written approval from regional center, or leased, include:

ITEM	PURCHASE MAY BE ACCEPTABLE	3 MONTH LEASE	COMMENTS EXCEPTIONS
Motor vehicles	NO	YES	May be leased for 3 months during development of project
Computers	NO	YES	May be purchased only if part of a training program for individuals with an approved proposal and program design.
Camcorders, cameras, fax machines, slide projectors, copy machines	NO	YES	May be purchased only if part of a training program for individuals with an approved proposal and program design.
Wall-to-wall carpeting	NO	N/A	
Area rugs	YES	N/A	
Shipping of furniture or truck rental	NO	N/A	
*Furniture, household appliances, linens, household supplies	*YES	YES	*Furniture needs to be new, sturdy, well built, and appropriate for residential facility or day program.
*Recreational equipment (games, TV, VCR, exercise equipment, mats)	* YES	N/A	*If for use in the facility/program and if appropriate for the type of service and individuals served.
Warranties on appliances	NO	N/A	

- B. All approved equipment of any kind purchased from funds reimbursed under the terms of the start-up contract is the property of the regional center. For the purpose of start-up contracts, major equipment is considered any item purchased with start-up funds which has a unit acquisition cost of at least \$5000 or a normal useful life of at least three years. The Contractor must submit to the regional center a detailed inventory, including serial numbers, of any equipment that meets the above criteria. This inventory (items acquired under start-up fund contracts) is due within 30 days of the end of the project's completion. The final reimbursement will not be distributed until the regional center is in receipt of the inventory.

- C. As a general rule, it can be assumed that equipment with a value under \$5000 will be amortized and no longer be regional center property after three years. For purposes of the start-up funds contract, equipment/item costs must be considered the sum of the costs. For example, a “bed” would include the mattress, box springs and frame.
- D. Written pre-approval from the regional center is required for reimbursement of any article, supplies, or equipment exceeding \$1,000 in cost (per unit). A justification, including the reasonableness of the cost, should be submitted prior to purchasing any such article.
- E. Equipment that is approved for lease may not be leased with an option to purchase. The Contractor shall provide the regional center with copies of signed leases for any equipment using start-up funds.
- F. All furniture, mattress sets, and appliances purchased with start-up funds must be new, sturdy and well built. Written pre-approval from the regional center shall be obtained before purchasing previously-owned furniture. Household supplies such as linens must be high quality. Comforters and bedspreads must cover the entire bed and coordinate with the room decor (e.g., no partial or non-matching sets).

VIII. Other

For questions concerning specific items appropriate for purchase with start-up funds, the regional center resource developer should be contacted.
