# CASE MANAGEMENT

# SPANISH IPP TRANSLATIONS FISCAL YEAR 2025

## IPP Translation Timeliness

- SCLARC continues to work on improving the timeframe for translating IPPs within 45 days of the review meeting.
- This initiative reduces delays in service provision, ensures consistency in service delivery, and ensures that services outlined in the IPP are implemented smoothly and efficiently.
- We have added a second vendor to assist with processing the volume of requests we receive. Also, we have implemented a new feature in our case management system, SmartChart, to translate IPP documents directly through the platform.

Period	45 - 60 Days	60+ Days
Q1: 07/2024 - 09/2024	9.36%	90.64%
Q2: 10/2024 - 12/2024	12.15%	87.85%
Q3: 01/2025 - 03/2025	13.72%	86.28%
Q4: 04/2025 - 06/2025	23.85%	76.15%

**Translation request volume increased 63% from FY 2023–24 (2,572 requests) to FY 2024–25 (4,191 requests).**

# PROGRESS IN REDUCING POS DISPARITY

**In reviewing FY 2024–2025 POS data, SCLARC identified the progress SCLARC made with reducing disparity:**

- 1** Percentage of Individuals with No POS continues to decrease as consumer growth increases.
- 2** Percentage of Authorizations not utilized continues to decrease.
- 3** Continue to Translate IPPs and send in the preferred language to individual and family within 45 days of IPP meeting.

**In response to further reduce No POS and non-utilization, SCLARC developed a plan.**
