INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
South Central Los Angeles Regional Center for
Developmentally Disabled Persons, Inc.
Los Angeles, California

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of South Central Los Angeles Regional Center for Developmentally Disabled Persons, Inc. (SCLARC), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of SCLARC as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SCLARC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT

(Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SCLARC's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SCLARC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SCLARC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards as required by Title 2 U.S. Code of Federal Regulations, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 24, 2026, on our consideration of SCLARC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering SCLARC's internal control over financial reporting and compliance.

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities South Central Los Angeles Regional Center for Developmentally Disabled Persons, Inc. (SCLARC), was incorporated on May 2, 1983, as a California nonprofit corporation. SCLARC was organized in accordance with the provisions of the Lanterman Developmental Disabilities Services Act (the Act) of the Welfare and Institutions Code of the State of California. In accordance with the Act, SCLARC provides services for persons with developmental disabilities and their families. Services include, but are not limited to, programs of developmental services, public information and education, research, manpower and resource development and evaluation. SCLARC contracts with the State of California Department of Developmental Services (DDS) to operate a regional center for individuals with developmental disabilities and their families. SCLARC serves five health districts of Los Angeles including Compton, San Antonio, South, Southeast and Southwest. The Act includes governance provisions regarding the composition of SCLARC's board of directors.

The Act states that the board shall be comprised of individuals with demonstrated interest in, or knowledge of, developmental disabilities, and other relevant characteristics, and requires that a minimum of 50% of the governing board be persons with developmental disabilities or their parents or legal guardians, and that no less than 25% of the members of the governing board shall be persons with developmental disabilities. In addition, a member of a required advisory committee, which is composed of persons representing the various categories of providers from which SCLARC purchases client services, shall serve as a member of SCLARC's board. To comply with the Act, SCLARC's board of directors includes persons with developmental disabilities, or their parents or legal guardians, who receive services from SCLARC and a client service provider of SCLARC.

Basis of Accounting The accompanying financial statements have been prepared on the accrual basis of accounting. SCLARC is reimbursed by the State for expenses incurred in operating SCLARC to the extent that the expenses are not covered by client support funds. Revenue is recognized when earned and expenses are recognized when the obligation is incurred. Reimbursements from the State are considered earned when a qualifying expense is incurred.

Financial Statement Presentation SCLARC's financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. Under FASB ASC Topic 958, SCLARC is required to report information regarding its financial position and activities according to two classes of net assets based upon the existence or absence of donor-imposed restrictions, as follows:

Net Assets Without Donor Restrictions: Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Net Assets With Donor Restrictions: Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions that are restricted by the donor are reported as increases in net assets without donor restriction if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which revenue is recognized. As of June 30, 2025 and 2024, SCLARC did not have donor restricted net assets.

Fund Accounting The accounts of SCLARC are maintained in accordance with the principles of fund accounting. Under fund accounting, resources are classified for accounting and reporting considerations into funds established according to their nature and purpose.

Cash and Cash Equivalents For purposes of the statement of cash flows, SCLARC considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents. In accordance with the State Regional Center contracts, bank accounts are in the name of both DDS and SCLARC.

Significant Concentrations of Credit Risk SCLARC maintains substantially all of its cash and temporary cash investments at one financial institution. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash exceeded federally insured limits by \$60,586,682 and \$37,294,886 at June 30, 2025 and 2024, respectively. SCLARC has not experienced any loss and management believes it is not exposed to any significant credit risk on such accounts.

State Regional Center Contract Receivables and Advances Contracts receivable represent amounts due from the State for reimbursement of expenditures made by SCLARC under the annual Regional Center contracts. Advances represent cash advances received by SCLARC under the annual Regional Center contracts. Amounts receivable from the State are offset against advances payable when the State notifies SCLARC that a right of offset exists.

Receivable - Intermediate Care Facility Providers During the year ended June 30, 2011, various legislative changes were made to the *California Welfare and Institutions Code* retroactively to July 1, 2007, making Intermediate Care Facility (ICF) providers responsible for providing consumer day treatment and transportation services, and ultimately, making such services eligible for reimbursement under California's Home and Community Based Services (HCBS) Program, which is funded by the Medicaid Waiver grant (Medicaid). Previously, such services were not reimbursable by Medicaid because the funds were not directly billed and received by the ICFs. The legislative changes allow for DDS to bill these services to Medicaid and capture federal dollars.

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Effective July 1, 2012, SCLARC began billing the ICFs directly for monthly consumer day treatment and transportation services. The State does not reimburse SCLARC for these costs and they are billed direct to and are collected from the ICFs. SCLARC receives a 1.5% administrative fee based on the funds received to cover the additional workload.

Allowance for Credit Losses SCLARC uses the current expected credit loss method (CECL) to recognize bad debt. SCLARC has elected the practical expedient which permits SCLARC to include collections received after the balance sheet date, but before the issuance of the financial statements in its CECL assessment. In addition, the California state government issues an annual budget for the program which is distributed ratably to each of the 21 regional centers throughout the state. The individual budgets established by DDS for each regional center are cost-reimbursement based contracts that allow regional centers to submit claims for reimbursement for their expenditures, resulting in a corresponding receivable. Management believes the likelihood of DDS denying reimbursement or defaulting on the receivable is remote. Similarly, SCLARC has receivables from ICFs which will subsequently be reimbursed once the ICF is paid by DDS. In the event an ICF defaults on a receivable, DDS would reimburse SCLARC directly and collect the amount from the ICF vendor's future Medi-Cal payments. As such, management believes the likelihood of ICF receivables becoming uncollectable is also remote. SCLARC has not established an allowance for credit losses for the year ended June 30, 2025, as management believes all receivables are fully collectable.

Prepaid Expenses Payments made to vendors for services that will benefit SCLARC for periods beyond the current fiscal year are recorded as prepaid expenses.

Leases SCLARC accounts for leases in accordance with FASB ASC 842. SCLARC is a lessee in noncancellable operating leases for office space and equipment. SCLARC determines if an arrangement is a lease, or contains a lease, at inception of a contract and when terms of an existing contract are changed. SCLARC determines if an arrangement conveys the right to use an identified asset and whether SCLARC obtains substantially all of the economic benefits from and has the ability to direct the use of the asset. SCLARC recognizes a lease liability and right-of-use (ROU) asset at the commencement date of the lease.

Operating Lease – ROU Asset: A ROU asset is measured at the commencement date at the amount of the initially measured liability plus any lease payments made to the lessor before or after commencement date, minus any lease incentives received, plus any initial direct costs. Unless impaired, the ROU asset is subsequently measured throughout the lease term at the amount of the lease liability (that is the present value of the remaining lease payments), plus unamortized initial direct costs, plus (minus) any prepaid (accrued) lease payments, less the unamortized balance of lease incentives received. Lease cost for lease payments is recognized on a straight-line basis over the lease term.

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Operating Lease Liabilities: A lease liability is measured based on the present value of its future lease payments. Variable payments are included in the future lease payments when those variable lease payments depend on an index or rate and are measured using the index or rate at the commencement date. Lease payments, including variable payments made based on an index or rate, are remeasured when any of the following occur: (1) the lease is modified (and the modification is not accounted for as a separate contract), (2) certain contingencies related to variable lease payments are resolved, or (3) there is a reassessment of any of the following: the lease term, purchase options, or amounts that are probable of being owed under a residual value guarantee. The discount rate is the rate implicit in the lease if it is readily determinable; otherwise, SCLARC has elected to use the risk-free borrowing rate per Accounting Standards Update (ASU) No. 2021-09, *Leases (Topic 842): Discount Rate for Lessees That are Not Public Business Entities*. SCLARC has elected to use this rate for all classes of underlying assets.

SCLARC has elected not to recognize the ROU assets and lease liabilities that arise from short-term leases (have a lease term of 12 months or less, but greater than one month at lease commencement, and do not include an option to purchase the underlying assets that SCLARC is reasonably certain to exercise) for any class of underlying asset and instead recognize the lease payments in the statement of functional expenses.

Property and Equipment In accordance with the State Regional Center contracts, all equipment purchased with contract funds is the property of the State. SCLARC is required to maintain memorandum records of equipment purchases and dispositions. Equipment purchases are recorded as supporting or program service expenses when they are incurred. The cost basis of the property utilized by SCLARC and owned by the state was \$1,185,779 and \$1,185,779 at June 30, 2025 and 2024, respectively. This balance includes only the equipment that exceeds \$5,000 as required by System Award Management (SAM) guidelines.

Accrued Vacation and Other Employee Benefits SCLARC has accrued a liability for leave benefits earned. However, such benefits are reimbursed under the state contract only when paid. SCLARC has also recorded a receivable from the State for the accrued leave benefits to reflect the future reimbursement of such benefits.

Defined Benefit Pension Plan SCLARC is required to recognize the funded status of the California Public Employee's Retirement System (CalPERS) pension plan, measured as the difference between plan assets at fair value and the pension obligation, in the statement of financial position. SCLARC has accrued a liability for the CalPERS pension. SCLARC has also recorded a receivable from the state for pension benefit obligation to reflect the future reimbursement of such benefits. However, such benefits are reimbursed under the state contract only when actually paid.

Client Trust Fund Liability SCLARC assumes a fiduciary relationship with certain clients who cannot manage their own finances. Client support funds are received from private and governmental sources, including the Social Security Administration and Veterans Administration. These funds are used primarily to offset clients' out-of-home placement and living costs, thereby reducing the amount expended by SCLARC. These funds are held in a separate bank account and interest earnings are credited to the clients' balances.

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Revenue Concentration State Regional Center contract revenue is revenue received from the State in accordance with the Lanterman Act. Ninety-nine percent of revenue is derived from this source.

Revenue and Revenue Recognition SCLARC recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized as revenue until the conditions on which they depend have been met.

A significant portion of SCLARC's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrance of allowable qualifying expenses. Amounts received are recognized as revenue when SCLARC has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are recorded as an advance and included with the Advance – State Regional Center contracts on the statement of financial position. SCLARC received cost-reimbursable grants of \$180,720,905 and \$149,145,805 that have not been recognized in revenue at June 30, 2025 and 2024, respectively, because qualifying expenditures have not yet been incurred.

Federal Grants SCLARC received two federal grants as of June 30, 2025 and 2024, as follows:

U.S. Department of Education: SCLARC is a sub-recipient to State of California DDS with regard to the Special Education Grants for Infants and Families, which provides funding for early intervention services for infants and toddlers, through age 3, as authorized by Public Law 102-119. Revenue received from this program for the years ended June 30, 2025 and 2024, was \$1,621,603 and \$3,321,030, respectively, and is included in State Regional Center contracts revenue on the statements of activities.

SCLARC is a sub-recipient to State of California Department of Education with regard to the Individuals with Disabilities Education Act, which provides funding for special education and related services for school-aged children as authorized by Public Law 108-446. Revenue received from this program for the years ended June 30, 2025 and 2024, was \$95,745 and \$162,477, respectively, and is included in State Regional Center contracts revenue on the statements of activities.

Allocation of Expenses During the year, costs of providing programs and other activities are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. Employee benefits are allocated based on salaries.

Use of Estimates and Assumptions The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Income Taxes SCLARC has received tax-exempt status under Section 501(c)(3) of the *Internal Revenue Code*, and Section 23701(d) of the *California Revenue and Taxation Code*, and has been classified as a not-for-profit that is not a private foundation under Section 509(a) of the *Internal Revenue Code*. Accordingly, no provision for income taxes is included in the financial statements.

SCLARC accounts for income taxes in accordance with FASB ASC 740, *Income Taxes*, which clarifies the accounting for uncertainty in income taxes and how an uncertain tax position is recognized in financial statements. SCLARC analyzes tax positions taken in previously filed returns and tax positions expected to be taken in future returns. Based on this analysis, a liability is recorded if uncertain tax benefits have been received. SCLARC's practice is to recognize interest and penalties, if any, related to uncertain tax positions in the tax expense. There were no uncertain tax positions identified or related interest and penalties recorded as of June 30, 2025 and 2024, and SCLARC does not expect this to change significantly over the next 12 months.

Change in Accounting Principle In July 2025, the FASB issued ASU No. 2025-05, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*. This update provides a practical expedient and an accounting policy election for entities, including not-for-profit organizations, when estimating expected credit losses for current accounts receivable and current contract assets arising from transactions accounted for under Topic 606, *Revenue from Contracts with Customers*, for fiscal years beginning after December 15, 2025, with early adoption permitted.

The Center has early adopted the standard as of July 1, 2024 and elected the practical expedient and the accounting policy to consider subsequent collection activity after the balance sheet date but before the financial statements are available to be issued, as permitted by ASU 2025-05. The adoption of this standard did not have a material impact on the Center's financial statements.

Subsequent Events Management has evaluated subsequent events through March 24, 2026 the date on which the financial statements were available to be issued.

2. LIQUIDITY AND AVAILABILITY

Financial assets available for purchase of client service and operation expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

June 30	2025	2024
Cash and cash equivalents	\$ 56,405,814	\$ 33,541,042
Receivable - State Regional Center contracts	209,301,925	180,646,484
Receivable - Intermediate Care Facility providers	1,484,734	1,620,369
Other receivables	1,502,857	1,696,133
Less: Advance - State Regional Center contracts	(180,720,905)	(149,145,805)
Total	\$ 87,974,425	\$ 68,358,223

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

According to SCLARC's contract with DDS, the State and the regional centers collaborate to build the budget for the regional center system using the best quality data and information available. This budget provides data to assist in building the Governor's January Budget and the May Revise.

Additionally, each regional center submits a monthly purchase of service expenditure projection to DDS, beginning in December of each fiscal year. By February 1st of each year, DDS allocates to all regional centers approximately ninety-nine percent (99%) of the enacted budget for operations and purchase of service. To do this, it may be necessary to amend SCLARC's contract in order to allocate funds made available from budget augmentations among regional centers. In the event DDS determines a regional center has insufficient funds to meet its contractual obligations, DDS shall utilize proper legislative measures to secure additional funds and provide the regional center with regulatory and statutory relief.

SCLARC maintains a line of credit (Note 4) to manage cash flow requirements as needed to cover any delays in cash advances and reimbursements over the beginning of the fiscal year.

3. CASH - CLIENT TRUST FUNDS AND CLIENT TRUST FUND LIABILITY

SCLARC functions as the custodian for the receipt of certain governmental payments and resulting disbursements made on behalf of SCLARC's clients. The cash balances are segregated from the operating cash accounts of SCLARC and are restricted for client support. Since SCLARC is acting as an agent in processing these transactions, no revenue or expense are reflected on the accompanying statements of activities.

The following is a summary of activity related to the client trust funds:

June 30	2025	2024
Client Trust Fund Liability - Beginning of the Year	\$ 2,953,772	\$ 4,016,099
Social Security and other client support received	19,968,373	20,309,709
Purchase of service disbursements	(19,972,506)	(19,480,132)
Change in AP/AR	(471,150)	(1,891,904)
Client Trust Fund Liability - End of the Year	\$ 2,478,489	\$ 2,953,772

4. LINE OF CREDIT

SCLARC had a revolving \$50,000,000 line of credit with City National Bank, secured by SCLARC's assets. Interest on the outstanding balance was payable monthly at the greater of 6.50% or 1% below the bank's prime rate, which was 7.50% and 8.50% at June 30, 2025 and 2024, respectively, and amounted to \$14,531 and \$0 for the years ended June 30, 2025 and 2024, respectively. The line of credit expired on June 30, 2025. SCLARC extended the line of credit which is now set to expire in June 2026 with the same terms. At June 30, 2025 and 2024, the outstanding balance on the line of credit was \$0 and \$0, respectively.

**South Central Los Angeles Regional Center
For Developmentally Disabled Persons, Inc.**

NOTES TO THE FINANCIAL STATEMENTS
(Continued)

5. FUNDING LIMITS

SCLARC’s contract is funded by the State’s General Fund and federal reimbursements. The contracts specify the level and nature of the services to be provided to developmentally disabled persons. Allocated amounts are based primarily on projected client caseloads and are subject to amendment based upon actual services provided.

Contracts are open for the current and two prior years as follows:

Years Ended June 30	Contract Amount	Cumulative Expenses	Unexpended Balance
2025	\$ 804,472,753	\$ 729,474,814	\$ 74,997,939
2024	\$ 671,612,156	\$ 625,793,772	\$ 45,818,384
2023	\$ 608,566,065	\$ 540,172,948	\$ 68,393,117

Management monitors the unexpended balance annually to avoid overspending the contract limits. Management believes that total expenditures for each open year will not exceed the final approved contract amount.

6. LEASE COMMITMENTS

SCLARC is obligated under various operating lease agreements for office equipment and office facilities. The terms of the office lease agreements provide for payment of minimum annual rental payments, with fixed increases.

SCLARC has obligations as a lessee for office space and office equipment with initial noncancellable terms in excess of one year. The lease for office space located at 2500 South Western Avenue has an initial term of 34 years expiring in April 2049 with no option to extend. The lease for office space located at Garfield Avenue had an original term of 10 years, with two options to extend the lease term for an additional 5 years, expiring in November 2039. The lease term for this lease was modified on May 1, 2024 and expired in August 2025. The lease was converted to a month-to-month lease upon the expiration of the lease term. The lease for office space located at 2221 South Western Avenue has an initial term of 2 years with one option to extend the lease term for an additional 3 years, expiring June 2030. The office equipment leases have an initial term of 5 years with no option to extend, expiring September 2029 and July 2030. SCLARC classifies these leases as operating leases.

Payments due under lease contracts include fixed payments and variable payments. Some of SCLARC’s office space leases require variable payments of SCLARC’s proportionate share of the buildings’ property taxes, insurance, and other common area maintenance charges. These variable lease payments are not included in lease payments used to determine lease liabilities and are recognized as variable lease costs when incurred and are included in facility rent on the statement of functional expense.

**South Central Los Angeles Regional Center
For Developmentally Disabled Persons, Inc.**

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Beginning on July 1, 2022, SCLARC has elected not to separate nonlease components from lease components for all office space and office equipment leases.

Supplemental cash flow information related to leases included in the Statements of Cash Flows, were as follows:

Year Ended June 30	2025	2024
Cash paid for amounts included in the measurements of lease liabilities:		
Operating cash flows for operating leases	\$ 6,478,362	\$ 6,289,672
Cash paid for amounts included in the measurements of lease liabilities:		
Operating cash flows for variable lease payments	737,644	763,810
Noncash investing and financing activity:		
Right-of-use assets obtained in exchange for new operating lease liabilities	\$ 2,229,224	\$ -

As of June 30, 2025, maturities of operating lease liabilities were as follows:

Years Ending June 30	
2026	\$ 6,855,614
2027	7,035,492
2028	7,246,877
2029	7,464,167
2030	7,688,510
Thereafter	183,304,401
Total Lease Payments	219,595,061
Less: Present value adjustment	70,240,347
Present Value of Lease Liabilities	\$ 149,354,714

The table below presents additional information related to SCLARC's leases:

June 30, 2024	2025	2024
Weighted average remaining lease term:		
Operating leases	23.56 years	24.80 years
Weighted average discount rate:		
Operating leases	3.12%	3.11%

Upon adoption of ASU No. 2016-02, the risk-free rate used for existing leases was established using the Daily Treasury Par Yield Curve rate as of July 1, 2022.

**South Central Los Angeles Regional Center
For Developmentally Disabled Persons, Inc.**

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

7. EMPLOYEE BENEFIT PLAN

SCLARC contributes to CalPERS for retirement benefits. CalPERS is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating public entities within California. Substantially all of SCLARC's employees participate in CalPERS.

FASB ASC 715-30, *Defined Benefit Plans – Pension*, requires SCLARC to recognize the funded status of a defined benefit retirement plan as an asset or liability in its statement of financial position and to recognize changes in that funded status in unrestricted net assets in the year in which the change occurs.

The excess of the total actuarial accrued liability over the market value of plan assets is called the unfunded actuarial accrued liability. Funding requirements are determined by adding the normal cost and an amortization of the unfunded liability as a level percentage of assumed future payrolls.

SCLARC has three retirement plans with CalPERS. One plan is a 3% at age 60 formula, which closed as of January 1, 2008. All employees hired prior to January 1, 2008, participate in this plan. The second plan is a 2% at age 60 formula which closed as of January 1, 2013. All employees hired from January 1, 2008, through December 31, 2012, participate in this plan. The third plan is a 2% at age 62 formula which was established by the Public Employees' Pension Reform Act of 2013 (PEPRA) and all employees hired on or after January 1, 2013, participate in this plan. The total required employee contributions are 8% of earnings for the 3% at age 60 plan, 7% of earnings for the 2% at age 60 plan, and 7.50% of earnings for the 2% at age 62 plan. SCLARC is required to contribute the remaining amounts necessary to fund the benefits for its employees, using the actuarial basis adopted by the CalPERS Board of Administration.

The CalPERS Board of Administration adopted changes to the demographic assumptions based on the most recent experience study. The most significant of these is the improvement in post-retirement mortality acknowledging the greater life expectancies in membership and expected continued improvements. The actuarial assumptions and methods used in CalPERS public agency valuations are approved by the Board of Administration upon the recommendation of the Chief Actuary.

The net periodic benefit cost is as follows:

Years Ended June 30	2025	2024
Service cost	\$ 7,102,874	\$ 6,467,553
Interest cost	7,750,952	7,060,047
Expected (return) on plan assets	(7,787,782)	(6,874,110)
Amortization of prior service cost	13,496	13,496
Recognized net actuarial (gains) and losses	(2,016,379)	(1,710,772)
Periodic Benefit Cost - Net	\$ 5,063,161	\$ 4,956,214

**South Central Los Angeles Regional Center
For Developmentally Disabled Persons, Inc.**

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Pension benefit changes other than net periodic benefit costs were \$9,978,870 and \$8,883,232 for the years ended June 30, 2025 and 2024, respectively.

June 30	2025	2024
Change in Benefit Obligation		
Benefit obligation - beginning of year	\$ 139,172,442	\$ 135,302,111
Service cost	7,102,874	6,467,553
Interest cost	7,750,952	7,060,047
Assumption change (gain) or loss	(5,213,248)	(6,991,082)
Experience (gain) loss	3,187,606	1,552,022
Benefits and expenses paid	(4,395,799)	(4,218,209)
Benefit Obligation - End of Year	\$ 147,604,827	\$ 139,172,442
Change in Fair Value of Plan Assets		
Fair value of plan assets - beginning of year	\$ 112,327,742	\$ 99,574,179
Actual return on plan assets	14,014,313	9,722,225
Employer contributions	5,837,298	4,887,801
Employee contributions	2,955,443	2,361,746
Benefits and expenses paid	(4,395,799)	(4,218,209)
Fair Value of Plan Assets - End of Year	\$ 130,738,997	\$ 112,327,742
Unfunded Defined Benefit Plan Liability	\$ 16,865,830	\$ 26,844,700

The unrecognized net (gain) or loss was as follows:

June 30	2025	2024
Unrecognized Net (Gain) or Loss		
Beginning of year	\$ (45,632,447)	\$ (39,056,044)
Experience (gain) loss	3,187,606	1,552,022
Asset (gain) loss	(6,226,531)	(2,848,115)
Amortization amount	2,016,379	1,710,772
Assumption change (gain) or loss	(5,213,248)	(6,991,082)
Unrecognized Net (Gain) or Loss - End of Year	\$ (51,868,241)	\$ (45,632,447)

**South Central Los Angeles Regional Center
For Developmentally Disabled Persons, Inc.**

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The assumptions used in the measurement of the benefit obligations are as follows:

June 30, 2025

Discount rate (benefit expense)	5.74%
Discount rate (benefit obligation)	5.74%
Expected long-term return on plan assets	6.80%
Rate of compensation increase	4.00%

This discount rate was derived from the Above Median FTSE Pension Discount Curve as of the end of June 30, 2025, using the expected payouts from the plan. The rate used as of the beginning of the fiscal year (used to calculate the expense for the year) was 5.53%. The long-term rate of return on plan assets is the expected return used by CalPERS for their pension fund and was derived based on their long-term expectation of asset returns in consultation with CalPERS investment staff and advisors. The annual pension expense under ASC 715 is based on the expected return on plan assets during the fiscal year.

For the Mortality rate, the actuary used the Pri-2012 Total Dataset Mortality Tables projected forward generationally using the MP-2021 projection scale. This assumption is expected to be a best estimate of future mortality experience, being based on the latest published study by the Society of Actuaries, which was finalized in October 2021.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting principles generally accepted in the United States of America establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that SCLARC has the ability to access.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**South Central Los Angeles Regional Center
For Developmentally Disabled Persons, Inc.**

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Plan assets of \$130,738,997 are held in a pooled investment account managed by CalPERS and are considered Level 3 investments.

The following table provides further details of the Level 3 fair value measurements:

June 30	2025	2024
Beginning balances	\$ 112,327,742	\$ 99,574,179
Actual return on plan assets	14,014,313	9,722,225
Total contributions	8,792,741	7,249,547
Benefits and expenses paid	(4,395,799)	(4,218,209)
End of Year	\$ 130,738,997	\$ 112,327,742

The following benefit payments for the next ten years, which reflect expected future service, as appropriate, are expected to be paid at June 30, 2025 and for the years then ended:

Years Ending June 30	
2026	\$ 4,664,264
2027	5,134,722
2028	5,600,504
2029	5,930,881
2030	6,330,644
2030 - 2035 Aggregate	39,525,788
Total	\$ 67,186,803

Medical care - program	2,289,021	101,062
Respite - in-home	87,501,041	61,797,283
Respite - out-of-home	2,159,053	1,522,029
Camps	329,217	76,148
Prior period expenses	64,572	66,764
Total Other Purchased Services	\$ 414,563,172	\$ 332,585,097

9. LITIGATION CLAIMS AND CONTINGENCIES

Contingencies

SCLARC is dependent on continued funding provided by DDS to operate and provide services for its clients. SCLARC's contract with DDS provides funding for services under the Act. In the event that the operations of SCLARC result in a deficit position at the end of any contract year, DDS may reallocate surplus funds within the State of California system to supplement SCLARC's funding. Should a system-wide deficit occur, DDS is required to report to the governor of California and the appropriate fiscal committee of the State Legislature and recommend actions to secure additional funds or reduce expenditures. DDS's recommendations are subsequently reviewed by the governor and the Legislature and a decision is made with regard to specific actions.

In accordance with the terms of the DDS contract, an audit may be performed by an authorized state representative. Should such an audit disclose any unallowable costs, SCLARC may be liable to the State for reimbursement of such costs. In the opinion of SCLARC's management, the effect of any disallowed costs would be immaterial to the financial statements at June 30, 2025.

South Central Los Angeles Regional Center For Developmentally Disabled Persons, Inc.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Legal Proceedings

SCLARC is subject to various legal proceedings and claims arising in the ordinary course of its business. While the ultimate outcome of these matters is difficult to predict, management believes that the ultimate resolution of these matters will not have a material adverse effect on SCLARC's financial position or activities.

10. RELATED-PARTY TRANSACTIONS

California Welfare and Institutions Code, Section 4622, requires that a minimum of 50% of the Organization's governing board be comprised of persons with developmental disabilities or their parents or legal guardians. Program service payments were made on behalf of persons with developmental disabilities that were governing board members or were related to governing board members. Payments made on behalf of members of the board with developmental disabilities and the vendor member of the board's organization were \$473,937 and \$626,491 for the years ended June 30, 2025 and 2024, respectively.

11. AFFILIATES

Friends of South Central Los Angeles Regional Center for Developmentally Disabled Persons, Inc. (Friends), is a separately incorporated California nonprofit corporation organized to improve the quality of life of the developmentally disabled clients and families of SCLARC by providing assistance and activities that are not otherwise available through SCLARC or any other agency.

In August 2013, a limited liability company owned by Friends borrowed \$55,000,000 from the California Municipal Finance Authority through the issuance of California Municipal Finance Authority Revenue Bonds to finance the construction of office buildings in Los Angeles for use by SCLARC. In connection with the issuance of the bonds, the limited liability company entered into a long-term lease with SCLARC and has pledged the rent payments to be received under the lease with SCLARC as the primary source of revenues to secure the repayment of the bonds. Rent under the lease commenced in May 2015, with a term of 34 years, or until the rent necessary to repay the bonders is received. Office and parking rent commenced in May 2015, and started at \$392,970 per month for the first year and increases annually by three percent. SCLARC is also responsible for operating expense as defined in the agreement.

12. RECLASSIFICATION

Certain reclassifications have been made to the June 30, 2024 balances for consistency in comparing to the June 30, 2025 balances.

Total U.S. Department of Education				1,717,348
Total Expenditures of Federal Awards				\$ 1,717,348

Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal award activity of SCLARC under programs of the federal government for the year ended June 30, 2025. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because this schedule presents only a selected portion of the operations of SCLARC, it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of SCLARC.

Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement. Part C expenditures are based on state contract budget allocations.

Indirect Cost Rate

SCLARC did not elect to use the 10% de minimis method for indirect cost rate allowed under the Uniform Guidance.

OTHER REPORTS SECTION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
South Central Los Angeles Regional Center for
Developmentally Disabled Persons, Inc.
Los Angeles, California

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of South Central Los Angeles Regional Center for Developmentally Disabled Persons, Inc. (SCLARC), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated March 24, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered SCLARC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of SCLARC's internal control. Accordingly, we do not express an opinion on the effectiveness of SCLARC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of SCLARC's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

(Continued)

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether SCLARC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of SCLARC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering SCLARC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH THE UNIFORM GUIDANCE**

To the Board of Directors
South Central Los Angeles Regional Center for
Developmentally Disabled Persons, Inc.
Los Angeles, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited South Central Los Angeles Regional Center for Developmentally Disabled Persons, Inc.'s (SCLARC) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of SCLARC's major federal programs for the year ended June 30, 2025. SCLARC's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, SCLARC complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of SCLARC and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of SCLARC's compliance with the compliance requirements referred to above.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

(Continued)

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to SCLARC's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on SCLARC's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about SCLARC's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding SCLARC's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of SCLARC's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of SCLARC's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH THE UNIFORM GUIDANCE**

(Continued)

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
