Enclosure C  
**STATEMENT OF ASSURANCES**

This is to assure that South Central Los Angeles Regional Center's (SCLARC) 2025-2026 Performance Contract was developed in accordance with the requirements specified in Welfare & Institutions (W&I) Code section 4629 and the Department of Developmental Services' Year 2025-2026 Performance Contract Guidelines.

The performance contract was developed through a public process which included:

- Providing information, in an understandable form, to the community about regional center services and supports, including budget information and baseline data on services and supports and regional center operations [W&I Code section 4629 (c)(B)(i)];
- Conducting a public meeting where participants can provide input on performance objectives and using focus groups or surveys to collect information from the community [W&I Code section 4629 (c)(B)(ii)];
- Providing at least ten calendar days advance public notice of the date of the public meeting (guidelines); and,
- Circulating a draft of the performance objectives to the community for input prior to presentation at a regional center board meeting where additional public input will be taken and considered before adoption of the objectives [W&I Code section 4629 (c)(B)(iii)].
- The regional center governing board conducting one or more public meetings regarding its prior year's contract performance objectives and outcomes. Provide notification to the Department, consumers, families, and individual stakeholders at least 30 days prior to the meeting. Providing meeting and meeting materials with language access and scheduling meetings at times and locations that promoted attendance by the public. Consideration was given to strategies to promote opportunities for public comment by diverse language, racial and ethnic communities [W&I Code section 4629 (f)].
